

Birmingham
City Council

ABOUT BIRMINGHAM

Birmingham City Council, based in The Council House, Victoria Square, Birmingham B1 1BB, is the largest local authority in the UK – serving a population of a million citizens daily.

Based in the centre of England we are easily accessible by road, rail and air. When the redevelopment of New Street railway station and the new rapid transport systems are completed travelling to and around the city will be even easier.

We are the youngest city in Europe with under-25s accounting for nearly 40% of our population. We have over 400 schools, 15 universities and three university colleges within one hour's drive of the city.

We have great theatres, museums, the world famous [City of Birmingham Symphony Orchestra](#), beautiful historical buildings and our iconic [Library of Birmingham](#). We also have amazing concert and sporting venues such as the [NEC](#), [Edgbaston Cricket ground](#) and [Alexander Stadium](#).

Dining out in our city has something for all tastes with Michelin star restaurants across the city, Spicel Street by the [Bull Ring](#), the [Chinese Quarter](#) and our very famous [Balti Triangle](#).

Birmingham is still one of the most popular places to shop in the UK, with the impressive names of Selfridges and Debenhams already established here, the development of the new John Lewis store will add another fantastic dimension to the retail experience.

And that's just where we are now. With our [Big City Plan](#) and [adopted Development Plan](#) taking us forward and the exciting ongoing changes to the landscape of our city, and the upcoming [Commonwealth Games](#) in 2022, Birmingham will only continue to improve.

BIRMINGHAM IS EXPERIENCING ONE OF ITS MOST EXCITING PERIODS OF REGENERATION AND DEVELOPMENT IN RECENT TIMES.

We aim to be a city of growth where every child, citizen and place matters - and Birmingham City Council wants to make a positive difference, every day, to people's lives. This underpins everything we do, whether that's setting our priorities, making decisions or delivering services.

Our priorities

Guided by the present situation – with a rising demand for services (especially adult social care), financial pressures and the need to invest in children's services – we plan to focus our resources on five key priorities:

- Birmingham is an entrepreneurial city to learn, work and invest in
- Birmingham is an aspirational city to grow up in
- Birmingham is a fulfilling city to age well in
- Birmingham is a great city to live in
- Birmingham residents gain the maximum benefit from hosting the Commonwealth Games
- Birmingham is a city that takes a leading role in tackling climate change

The council is just one key player in achieving these priorities. Over the next few years, our financial situation remains challenging so our role in the city needs to change. One of the biggest shifts we'll need to make is to move from directly delivering services to a position where we use our resources to enable and facilitate others. This means a much greater focus on collaboration and partnerships.

We see the council's role as providing strategic leadership – that's being able to visualise a new future for the city and equipping others to share our vision. We want to ensure the provision of decent services for all, so we can focus on supporting those least able to support themselves. And we'll work with partners and put citizens and neighbourhoods at the heart of our decision-making.

The resources to deliver these priorities
